

# POTHOS PEARL & JADE

More compact than other pothos varieties, this plant produces long trailing vines with light green foliage variegated with creamy white. Easy to care for, it is a great choice for offices or for anyone less consistent with watering.

## Light

Moyenne

## Watering

Allow the growing mix to dry between waterings.

## Watch for

Check for mealybugs in the leaf nodes.

## Tips & tricks

Prune the vines regularly to encourage a fuller, bushier plant.
